In Memoriam

Elaine Romsey

April 11, 1929 - March 13, 1946

We remember Elaine for her friendliness, radiant charm, and wholesome enthusiasm for and joy in living. Our lives are richer for having touched hers, and her spirit and memory quietly hover around and about us to brighten our way.

Robert Doherty

1925 - 1945

Died in France in the service
of his country.

Dedication

In token of the continuance of her friendliness, interest, and gracious assistance to all students throughout their years at Belmont High School, this chronicle is sincerely dedicated to Martha L. Hanf.

GEORGE HIGGINBOTTOM, *Principal*

You have witnessed and, to some extent, participated in the greatest industrial accomplishments achieved by this country in the history of the world. While our productive capacity has had a scintillating influence on the world, the technological advancement has had and will continue to have a more preponderant effect on the shaping of the world of tomorrow.

The sanguinary results, the almost unbelievable and unpredictable devastation resulting from the use of the atomic bomb, should provide the motivation for your generation to solve world problems in a more peaceable manner. Though factors which precipitated the world into the most recent conflict are in a sense confusing, it is evident that my generation did not have foresight, the initiative, and in some cases, the interest to work jointly in the amicable solution of the many vital issues involving the peace of the world. You will need to scrutinize very carefully the errors of the past, examine minutely the experience of the present, in order to preserve the culture and heritage of our country, as well as to share actively in the international responsibilities for a peaceful world in which to live for generations to come.

To meet this challenge, you will require all available resources, the undivided interests and energetic participation of everyone, and above all, the spiritual guidance, religious understanding, and everlasting faith of Christianity.

GEORGE HIGGINBOTTOM

Editorially Speaking

I'd say that many wastebaskets have been filled with what might have been the Blue Print. Andy has been very obliging about emptying them, so now that the printer has his copy, the bookbinder his covers, and the editor her much-needed forty winks, it's time to settle back and think the whole thing over again. This is the time to think of all the things that were forgotten when they should have been remembered, and vice versa!

Staff chosen, pencils sharpened and ready to proceed, we were confronted with THE problem—money. \$3 “per” plus a few willing advertisers made our worries a little less, so the procession advanced. Writers, artists, businessmen, designers, and advertisers swarmed all over B. H. S. Slowly, but surely we progressed. Every little genius found wandering in the corridors was enveloped into our folds and set busily to work producing “little gems to grace our pages, to be passed down right through the ages.” And what do you know? The product emerging from this seeming chaos remotely resembled a yearbook!

Now it is finished. We are proud of it. It holds golden memories which will be dearer to us in later years. We offer a book worthy of the class it represents, a volume which surely will never gather dust on a musty old shelf. It will be in use as a world index to the lives of future famous men and women. Now is the time to close the covers with a sigh and a smile, for this marks the end of the last and best year of all—our senior year.

Your editor,

Jean Dobson.

To the Class of 1946

Miss Helen E. Bridey
Class Adviser

For the spirit of generous cooperation which has characterized the class of 1946 in all its activities—my admiration and my gratitude. May this impulse toward helpfulness continue to be a part of your way of life. May it make greater your personal happiness as it makes greater the common good. May it lead you to realize that those can best fulfill their duty toward their fellow-men who first fulfill their duty toward themselves—I mean the duty of each one, according to his varied gifts, to make the utmost use of his abilities and to develop his talents to the highest possible degree. The glory which comes to any class or to any group lies in part in what they accomplish through their combined strength. It lies, no less truly, in the individual achievement of each member who faithfully and courageously follows through to a worthy ideal.

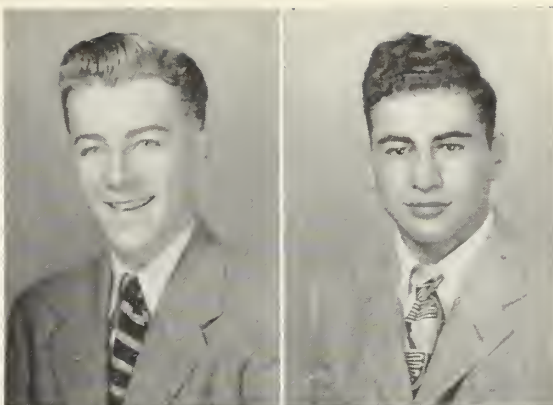

My sincere wishes for true success and happiness to you, each and all.

Helen E. Bridey

Joseph Abely

Happy-go-lucky, carefree, and contented seem best to describe the lead-off man of our Senior Class. A mean sax player, Joe is hep when it comes to music and sports. Boston College is his future Alma Mater, and we all wish him loads of luck.

Track 1, 2; Soccer 3; Spanish Club 2; Senior Play 3.

Gabriel Alexander

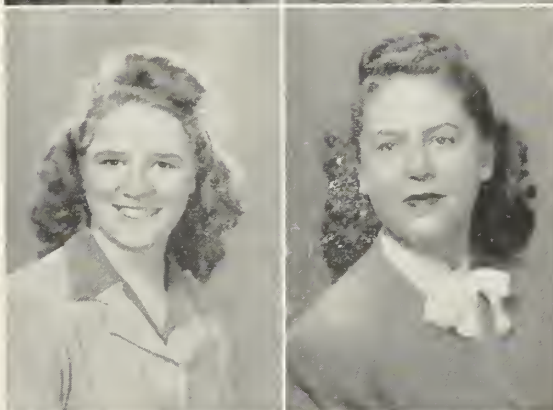

If a winning smile and a pleasant personality were measured in dollars and cents, "Gabby" would be a millionaire. His friendliness and sociability will help him in any field he chooses, and will assure his enviable attainment in its pursuits.

Football 1, 2, 3; Baseball 1, 2, 3; Forum Club 2.

Irene Ackles

Though not active in school clubs, Irene is a staunch sports fan and always an eager Belmont rooter. Tall and light-haired, she carries herself well and is at home on the dance floor. Such a well rounded personality will have no trouble finding happiness.

Spanish Club 1; Senior Honor Group.

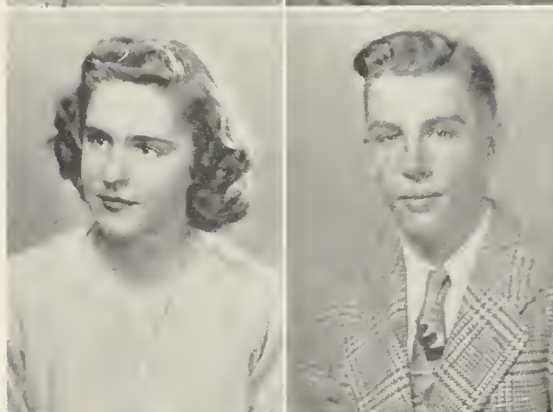

Ann Anderson

"The girl with the beautiful hair who loves to sing." No one else could answer to that description but Ann. Her ambition to appear in a musical comedy will probably never come about because Ann is sporting an engagement ring. Here's hoping she "lives happily ever after."

Red Cross Club 1; Dramatic Club 1, 3; French Club 1; Spanish Club 2, 3; Home Economics Club 2, 3; Bookworms Club 3; Choir 3.

Barbara Ahern

Quiet and efficient, but always merry and happy, Barbara enjoys playing the piano as well as reading. She is well on the way to fulfilling her ambition of being an excellent medical secretary. Who knows, maybe Barbara will find a doctor who can cure her pet hate? Red Cross Club 1, 2, 3; Belmontian Club 2, 3; Dramatic Club 1, 2, 3; French Club 1, 2; Spanish Club 2, 3; Music Club 2, 3; Choir 3; Honorary Member Belmont Woman's Club 3.

James Anderson

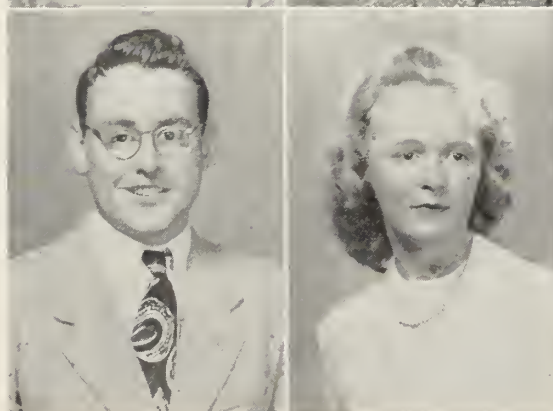

A friend to everyone, Jimmy dislikes long-haired music and proves his liking for popular music by playing a lot of it on the piano. "Andie" is also one of the most sportily dressed boys in his class, with his flashy bow ties and sweaters. Since his personality is as pleasing as his attire, we all know there shall be music wherever he goes—and with it, the contagious harmony of Andie's spirit.

Soccer 1; Baseball 1, 3; Tennis 2; Dramatic Club 1, 2, 3; French Club 2; Senior Play 3; Forum Club 2.

Robert Ahern

The name Bob Ahern personifies pleasantness and sincerity wherever it is found. Interested in athletics, both as spectator and participant, he has been an avid sports fan these past three years. Also an interested student, he is headed full tilt up the road of success.

Bookworms Club 2.

Pauline Anderson

With her golden hair and sweet manner, "Polly" would make a perfect storybook princess instead of the commercial artist she hopes to be. The posters and other forms of art which we see over her signature all over the school, are excellent examples of her versatilities. With such talent and personality, "Polly" is one of us who is sure to be tops in art. Spanish Club 2; Belmontian Club 2, 3; Music Club 3; Red Cross Club 3; Home Economics Club 3.

Martha Apollonio

A tall, blonde, young lady with laughing blue eyes, "Matt" is talented in almost every field. As president of the Music Club, she has shown her outstanding character, scholarship and personality in many memorable ways. Her fine spirit of cooperation and exceptional athletic ability were obvious on the basketball court and hockey field.

Field Hockey 1, 2, 3; Basketball 1, 2, 3; Softball 1, 3; Spanish Club 1, 2, 3; Latin Club 1, 2, 3 (Censor); Music Club 1, 2 (Secretary), 3 (President); A Cappella Choir 1, 2, 3; Glee Club 3; Publication Club 1, 2, 3 (Sports Editor); Blue Print Staff 3; Bookworms Club 3; Science and Photography Club 3; Home Economics Club 3; Belmontian Club 3.

Joan Appel

Joan would be a strong contestant for the title of "Our School's Most All-round Girl." Her personality and attractiveness are as well known to us as her ability in field hockey and her high scholastic standing. She will make a valuable addition to the activities of any college.

Field Hockey 1, 2, 3 (Captain); Basketball 2, 3; Tennis 2, 3; Belmontian Club 1, 2, 3; French Club 1, 2, 3 (President); Latin Club 1 (Aedile), 2 (Aedile); Music Club 2, 3; Choir 1, 3; Forum Club 2, 3 (Secretary); Science and Photography Club 3; National Honor Society 2, 3; Honorary Member Belmont Woman's Club 3; Senior Honor Group.

Anthony Arena

Always singing, smiling, or accomplishing both at the same time, "Tony" has a spirit so friendly that he's known to all his classmates. His infectious, cheery grin and frequent jests have spread lots of fun throughout our high school years. "Tony" is bound to soar to the top in any field he enters.

Football 3; Golf 3.

Kenneth Arico

Like this year's atom bomb, "Kenny" is a little package with a lot of power. As well known for his friendly smile as for his prowess in the sports field, "Kenny" will go through life with the same courage and initiative he shows on the field.

Football 1, 2, 3; Track 1, 2, 3 (Captain); Class Vice-president 1, 2, 3; Band 1; French Club 3.

Marian Arnott

Serious minded, but fun loving, Marian is always ready with her witty remarks. Anything she decides to do is completed in a very efficient and conscientious manner, even if it is math! With these fine characteristics, "Min" is sure to find her pathway filled with admiring friends.

Latin Club 1; French Club 1, 2, 3; Forum Club 2, 3; Belmontian Club 2, 3; Dramatic Club 3.

Charlotte Atwater

We all know Charlotte's cherubic face and impish laugh, for we see her at all the school activities. The fact that she was twice secretary of her class proves that she is one of our most popular and likeable seniors. Whatever "Piggy" does in later life, she'll be happy and successful, for she's that kind of girl.

Student Council 1, 3; Belmontian Club 1, 2, 3; Class Secretary 1, 2; Bookworms Club 2, 3; Class Day Committee 2; Red Cross Club 1, 3; Music Club 3; Home Economics Club 3.

Jacqueline Augustine

"Jackie" is one of those quiet, unassuming girls who will make the perfect nurse. But underneath that dignified exterior is a girl just as full of fun as anyone else in this fun-loving class. A cheery smile and a happy disposition have already won half of her career.

Red Cross Club 1, 3; Spanish Club 2, 3; Belmontian Club 2, 3; French Club 3.

Janet Austin

New to our school this year, Janet already has a host of new friends. She says she doesn't know what to do with her future, but knowing Jan, we think it's safe to say she's bound to succeed in anything she tries.

Tennis 1; Choir 1; French Club 3; Latin Club 3; Belmontian Club 3.

James Avtges

An honor student, James' quiet personality covers up his versatile abilities, for everyone knows what a top-notch, all-round classmate he has been. His reliability and determination are two of the sterling qualities which have found success for him in the past, and will lead him to the very top in the future.

National Honor Society 2, 3.

Constance Beard

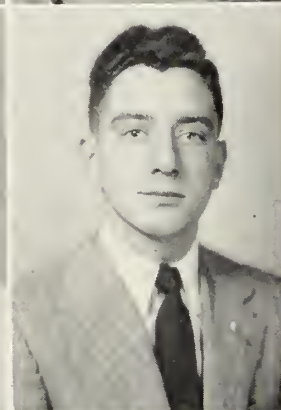

One of our most ardent fans in any field of sport, Connie is seen at all our games. A quiet girl on the surface, she is a welcome addition to any group and an active member of many. She's that very rare person whom EVERYONE likes.

Belmontian Club 2, 3; Bookworms Club 2, 3; Dramatic Club 3; Red Cross Club 3.

Jeanne Barry

Jolly and happy, Jeanne gives one the impression of being on the lookout for fun, and since she's always in the midst of things, we can well imagine that she finds plenty of it. She has shown ability in dramatics and in many clubs. Such interests will be worthwhile in the college she hopes soon to attend and in her later life.

Red Cross Club 1, 2, 3; Belmontian Club 1, 2, 3; Dramatic Club 1, 2, 3; French Club 1; Spanish Club 2, 3; Music Club 2, 3; Student Council 2; Senior Prom Committee 2; Senior Play 3.

William Bellissimo

A fellow with brown curly hair and the merriest brown eyes you've ever seen, Bill is well known for his work in school activities. Determined to gain any goal he sets his mind toward, Bill supplies the driving will for any enterprise. Good luck to an ambitious boy.

Football 1; Track 1; Baseball 2, 3; Soccer 3; Dramatic Club 1, 2, 3; French Club 1, 2, 3; Science and Photography Club 2, 3; Senior Play 3.

Pamela Baxter

A lovely singing voice and an equally charming manner mark Pamela as one of our most gracious seniors. She has the ability of combining the qualities of the perfect lady with those of a perfect friend and companion. Social activities such as sports, dancing, club activities, and music capture much of her interest. We know she'll go on being just as wonderful to know as she is to be with, whether at home or at hockey games.

Choir 1, 2, 3; Orchestra 1; Music Club 2, 3; Glee Club 3; Latin Club 1; Belmontian Club 2, 3; Dramatic Club 2, 3; French Club 3; Science and Photography Club 3; Red Cross Club 1.

Mary Bennett

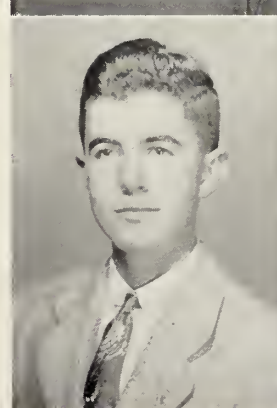

Sweet, neat, and entirely likeable, Mary is an efficient miss with a good head for business. She also has that rare gift of being both a good listener and a witty conversationalist. With all these wonderful qualities, she will indeed attain future goals.

Red Cross Club 1, 2, 3; Belmontian Club 2, 3; Bookworms Club 3.

Richard Beamon

An excellent athlete, "Tex" is liked by everyone at B.H.S. He hopes some day to be a mechanical engineer, and with the ability and initiative he has shown in the field of sports, he should go to the top of his profession with the same speed he used in scoring points for good old Belmont.

Soccer 1, 2, 3 (Captain); Basketball 1, 2, 3; Track 1, 2, 3; Spanish Club 2, 3; Sadie Hawkins Dance Committee 3.

Marilyn Berrie

Marilyn, one of the school's sweetest singers, wonders why her nickname is "Bush." We suggest she ask "Shrub" who seems to know all about it. "Bush" has aspirations for a dramatic career, and with her pretty face and bright personality, how can she miss?

Field Hockey 1; Softball 1, 3; Basketball 2, 3; Music Club 2, 3 (Vice-president); A Cappella Choir 3; Glee Club 3; Dramatic Club 2, 3; Spanish Club 2, 3; Belmontian Club 3; Publication Club 2, 3; Cheerleader 3; Senior Play Committee 3.

Jeanne Berry

Brisk and breezy are two adjectives that characterize Jeanne, better known to her friends as "Shrub." She's been active in the field of sports during her career at B.H.S., but will admit that she likes to loaf now and then, too. Her immediate ambition is the University of New Hampshire; so good luck "Shrub," we're sure you'll make it.
Softball 1, 2, 3; Field Hockey 2; Spanish Club 2, 3; Music Club 2, 3; Publication Club 2, 3; Science and Photography Club 3; Belmontian Club 3.

Francis Birch

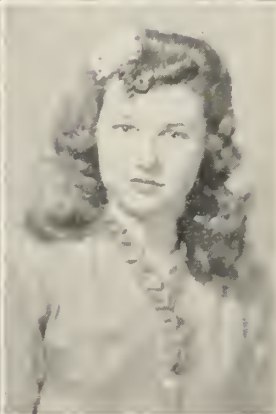

United States Army
February 27, 1945

John Bishop

Quiet and studious, John has set his sights on a high star, for his ambition is to be a lawyer. If a steady, persevering nature will help, then John is equipped with the right tools to become a disciple of Blackstone.
French Club 1, 2; Astronomy Club 3; Science and Photography Club 2.

James Breen

Jimmie, known to his friends as "Muggsy," likes the ladies and football. We've all seen him at the games and around school. He is easily identified by the little brown spots (freckles, not measles) on his face. Old jalopies are his specialty, and who knows, maybe he'll turn out to be another Henry Ford!
Football 1, 2, 3; Baseball 1; Track 2, 3.

Joseph Brennan

We have to hand it to "Red," for he's one wonderful fellow. With his fine ideas he is sure to succeed in anything he undertakes. His melodious singing voice, accompanied by his allegro disposition, keeps him in popular demand. Ten to one he'll make the best of his opportunities in later life. Here's to your continued success, Joe!
Music Club 3; Bookworms Club 3; Choir 3.

Shirley Bridges

Friendly Shirley may usually be found where there is a professional hockey game. "Pudge" also enjoys participating in and watching other sports. Some day she hopes to raise thoroughbred horses and maybe win a Derby or two.
Field Hockey 1, 2; Publication Club 1; Bookworms Club 2, 3; Belmontian Club 3.

Janet Brooks

Many of us will always remember Janet's twirling baton, but she also likes horses and swimming. "Ginger" wants to be an airline hostess, and with her friendly charm and peppy smile, we know that she will soar high.
Band 1, 2; Red Cross Club 1; Spanish Club 2, 3; Home Economics Club 3.

Marilyn Brown

A pleasant, eager, efficient, hard worker, Marilyn appreciates reading and music. She hopes that soon she will get a chance to take a trip around the world, free from homework! Let's ask her if we all may come. It sounds like fun!
Home Economics Club 1; Choir 3.

Robert Brown

Hockey and more hockey are Bob's interest, and he would like very much to see B. H. S. always have a good team with a rink of its own. Well liked by all, "Pee-wee" is also enthusiastic about other interests: Belmont High and, yes! the fairer sex! Hockey 1, 2, 3; Football 1; Baseball 1; Track 2, 3; Soccer 3.

Jane Burke

Jane is a typical B. H. S. girl. She likes sports, the Marines, and, most of all, a good time. Her ambition is to sail around the world to China, and that just goes to show what an all-round girl "Janie" is.

Basketball 1, 2, 3; Red Cross Club 1, 3; Belmontian Club 1, 2, 3; Home Economics Club 2; Bookworms Club 3; Publication Club 3; Cheerleader 3.

Margaret Brownell

You may have seen Peggy on her most disliked trip—walking up Cottage Street. A likeable, quiet girl with dark hair and lovely eyes, she will surely become an intelligent, kind nurse, as she courageously strides uphill through life.

Belmontian Club 3; Spanish Club 3; Science and Photography Club 3; Home Economics Club 3.

Virginia Butt

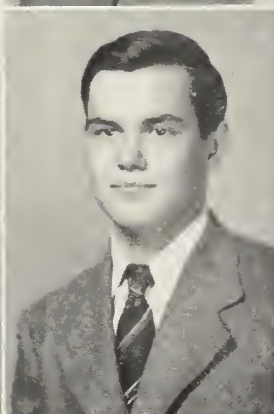

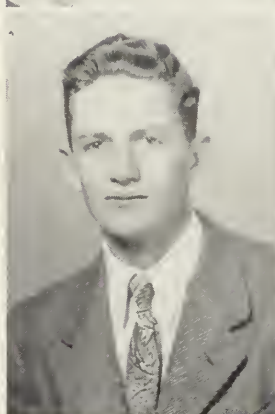

As much at home with a field hockey stick, as with the blue pencil she wields as editor of the "Star," Ginny is an active member of many organizations. Her ready wit and quick replies will be of great help as a foundation of the "bedside manner" she will need in her medical career. We wish her the best of luck in her ambitious aspirations.

Softball 1, 2, 3; Basketball 1, 2, 3; Field Hockey 2, 3; Red Cross Club 1, 3; Dramatic Club 2; Belmontian Club 2, 3; Spanish Club 2, 3; Forum Club 2, 3; Music Club 3; Science and Photography Club 3; Home Economics 3; Publication Club 1, 2, 3 (Editor-in-Chief); Blue Print Staff 3.

Leslie Buckley

As true as the day is long! His diligence on the athletic field and his persistence in his studies prove his strong character. "Buck" is popular, but like truly great people, he prefers to pass among us unnoticed. An unbeaten fellow with a fine record of accomplishment here, his future attainments seem certain.

Baseball 1, 2, 3; Football 1, 3; Basketball 2, 3; Student Council 1, 3; Spanish Club 3.

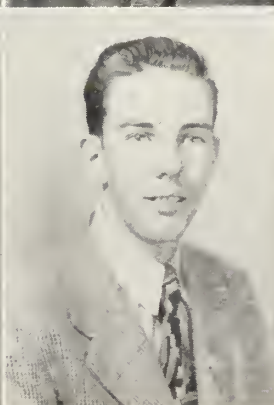

Henry Cabeceiras

No sports hero this boy, but his sense of good sportmanship has won him fame. A quiet, studious, likeable nature and a Pepsodent smile have all helped "Belugi" in winning many friends. All in all, he's a wonderful fellow, and no one can help liking him. Soccer 2.

Ruth Bulmer

Tranquil and retiring only partly describe this miss. Her quiet, gentle manner bespeaks the qualities of a perfect lady, yet Ruthie is also jolly and friendly. To whatever calling she is attracted, she will walk the world with dignity.

Dramatic Club 1; Spanish Club 2; Bookworms Club 3; Home Economics Club 3.

Robert Callahan

"A musician's life for me, hep, Bob." An up-and-coming popular song enthusiast, he is destined for the top of the heap someday. At present his interests run mainly toward sports and modern music. For some unknown reason he seems to dislike doing homework at Elward's.—Or is it just anywhere, Bob? Look for him leading an orchestra of tomorrow, when we'll all be able to say we knew him when!

Band 1, 2; Baseball 2.

Jean Campbell

Lo and behold, here at last is a person who never lets school work ruffle her. "Itch's" favorite expression might well be, "I can do it better if I wait until tomorrow." Procrastinator? — Certainly not! Her interest and talent in art definitely foretell a very promising future. Belmontian Club 2, 3; Dramatic Club 3; Oil Painting Club 3; Senior Play Committee.

Royal Chadwick

A great sports enthusiast, Chad's especially interested in bowling, swimming, and skating. His happy-go-lucky manner has made many friends, and they know that he will more than fulfill the requirements of an electrical engineer. Spanish Club 2.

Jeanne Campbell

Sargent College is "Soupy's" goal for the near future. On the hockey field and the basketball court, her cheerful, lively, and extremely witty manner has made her a friend of everyone. May you succeed as a gym teacher, "Soup!" Softball, 1, 3; Basketball 1, 2, 3; Field Hockey 2, 3; Red Cross Club 1, 3; Belmontian Club 1, 2, 3; Publication Club 1, 2, 3; French Club 2.

Anne Chapman

She answers to the name of "Chapie," and anyone calling her "Annie" will not become one of her best friends. "Chapie" loves to swim and play tennis, and her ambition to become a medical secretary personifies her efficiency. Best of luck, "Chapie!" French Club 1, 2; Spanish Club 2, 3; Red Cross Club 2, 3; Belmontian Club 3.

Eleanor Carlstrand

Tall and lovely, Eleanor is the lucky possessor of a charming smile with a personality to match. She is always neatly dressed, and her pleasantly quiet manner overshadows her ready willingness to help. Success and happiness will surely be hers if she continues to be so sweet and sincere. Red Cross Club 3; Choir 3; Belmontian Club 3; Bookworms Club 3.

John Cheever

That blonde boy you saw sauntering down the corridor with a grin on his face might well have been "Cobby." Carefree and happy, John has taken an active part in athletics and has been a well-known band member. May he continue his merry, friend-making way! Baseball 1, 2, 3; Football 1, 2, 3; Hockey 3; Band 1, 2; Student Council 2; Glee Club 3.

Jane Carroll

Striking, highly individualistic, Jane has the whimsical charm of one who deals with intangibles. Fun to know, fun to be with, her fashions from "Vogue" have often made her the Lady of the Hour. Red Cross 1, 2, 3; Dramatic Club 1, 2, 3; Belmontian Club 1, 2, 3 (Vice-president); Spanish Club 1, 2, 3; French Club 2, 3; Music Club 2, 3; Home Economics Club Senior Play and Committee 3.

Talmage Clark

Maybe there's no such thing as a born psychologist, but "T" certainly has the makings of one. He's popular and gets along with just everyone. High scholastic standing and plenty of experience as head of advertising for the school paper will help Talmage realize his ambition as a business executive. Publication Club 1, 2 (Advertising Mgr.), 3; National Honor Society 2, 3 (Vice-president); Spanish Club 2, 3; Blue Print Staff 3.

Joseph Clinton

United States Merchant
Marine

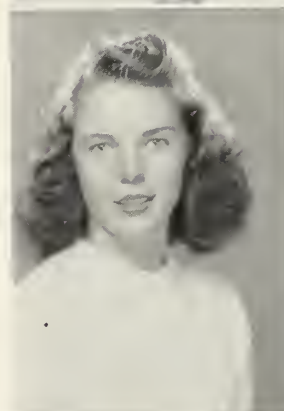

September 14, 1944

**Ann Collins**

Ann is always pleasant, full of fun and energy. Sports take up much of her outside time—field hockey having preference. "Jeepers" is her customary expression for discouragement, disgust, and delight, the latter being more prevalent with Ann. With her versatility and friendliness, her accomplishment of noble and worthy tasks is foreshadowed. Softball 1, 2, 3; Field Hockey 1, 2, 3; French Club 1, 2, 3 (Secretary); Belmontian Club 2, 3; Publication Club 2; Blue Print Staff 3; Latin Club 1, 2; Red Cross Club 3; Honorary Member Belmont Woman's Club 3; National Honor Society 2, 3; Science and Photography Club 3; Senior Honor Group.

Jean Coggar

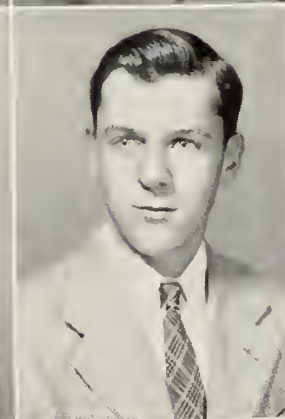

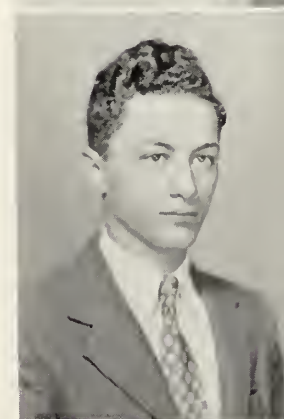

Where there's laughter, there's Jean. She loves a joke, and can laugh with or at you with equal geniality. Her favorite pastime, besides horse-back riding, is celebrating weekends and exclaiming, "Thank heavens it's Friday!" We all wish her the best of luck in whatever field she chooses. Choir 3.

**Leonard Comeau**

"Lenny" is one of those small, quiet fellows until he's outside the classroom. He then becomes the biggest and most enjoyable little fellow you've ever known. He's too small for school sports, but he spends most of his time playing football and baseball at the local playground. Baseball 1.

Robert Colantuoni

Small, dark, and pleasant as the day is long, Bob is the popular and versatile member of the "Voc" shops. Interested in sports and dancing as well as things mechanical, he is as yet undecided as to his future, but it will undoubtedly have something to do with machinery. We wish you lots of luck, Bob, and with your qualities of quiet persistence and determination, we're sure you'll attain success.

**Richard Conley**

Dick has been one of the high scorers on Coach Mel Wenner's soccer team, as well as a fast track man. Lots of fun to be with, "Dappa" enjoys other sports, too, but does not enjoy people who monopolize conversations. Soccer 3; Track 1, 3; Dramatic Club 1, 2, 3; Forum Club 2; Spanish Club 2, 3 (Treasurer).

William Colby

Though quiet and scholarly by nature, Bill has a keen interest in sports and is a well-known member of our class. His interest and ability in music are made evident by his fine work in the band. In his quiet and friendly way, he'll do as well in future years as he has done in high school. Just you wait and see! Track 1, 2, 3; Soccer 2, 3; Band 1, 2, 3; Spanish Club 2, 3.

**Imelda Connor**

Efficient and quiet in class, she's just as she seems. Content to meet the world on her own pedestal, "Melda" takes life as it comes. Gifted with a touch of Irish humor, through years to come there'll always be a smile on her lips. Red Cross Club 1, 2, 3; Belmontian Club 2, 3; French Club 1; Bookworms Club 3; Music Club 3.

Salvatore Constantino

An avid sports fan and equally interested in all school activities, Sal is well-known in B. H. S. His willingness to help in any desirable project and his always ready smile will make him a sure success in the college he hopes to enter soon.

Spanish Club 2; Bookworms Club 3.

William Corcoran

Bill's ability in physics and math will help him realize his ambition—to graduate from M. I. T., but in our opinion, Bill would be a success anywhere. His friendliness and ready sense of humor are two assets which are even more valuable than scientific knowledge.

Football 1, 2, 3; Track 1, 2; Band 1, 2, 3; Student Council 1; Dachshunde Club 1 (Treasurer), 2, 3 (President); Blue Print Staff 3 (Business Manager); Junior Rotarian 3.

Mary Lou Cosgrove

Who's the girl around school who's tall, attractive, and talented? Who takes life seriously and still has a lot of fun? Who likes dramatics and whose ambition is Middlebury? That's right, Mary Lou Cosgrove!

Ann LaFortune

Quiet Ann has been one of our top-notch classmates. High-ranking scholastically, she will succeed easily in college. Ann's time has been taken up with sewing, music, football games, and movies, but she is strongly opposed to Monday morning's sudden and abrupt conclusion of perfect week-ends.

Lena is friendly, sweet and amusing. We all know of her pleasing manner, and are often greeted by it. She is perhaps the envy of many girls because of her lasting friendships with "out-of-town people." Ah, but that is too much said! Best of everything to Lena, a fine friend to have.

Sammy LaRosa

An ear-to-ear grin, a friendly slap on the back, and a cheerful "What d'ya say?" are sure methods of telling Sam from anyone else. His immediate ambition is to finish high school. But his main interest, aeronautics, seems to point to something bigger for him.

Soccer 1; Football 3.

Philip Leadbetter

Why he has "Jitter" for a nickname is beyond us, but Phil's ambition is teaching, and we know he'll always be one step ahead of his competitors. Joan MacCormack

Now here's a Miss that any sort of nice adjective will fit, but we'll cut it short by saying that she's oodles of fun and enjoys almost anything. Her figure is just as trim as any model's, and Joan displays good grooming. Her ambition, to sail to China, is surely odd, but we wish her "Bon Voyage," and good luck. Gung-Ho.

Fine character, high intelligence, and a personality above criticism are the requisites for a fine class president, and Don possesses these and more. His tall, powerful figure is a familiar sight to us on the gridiron as well as on the stage of the auditorium, and he has, in the past years, done equally well in his role as combination athlete and "politician." Gordon McLean

Certainly one of the big cogs in our class of '46 has been "Mac's" efforts and help during the last three years. Ever an active member of the Spanish Club, he climaxed his Junior year by being master of ceremonies of "Caviedades Pan-Americanas," and a stellar performer on the Red & Blue basketball court. Janice Richmond

"You may think she's quiet, you may think she's shy, but just you come closer—she has a merry eye." What could describe this happy-go-lucky lass any better—a good sport, an earnest student, and a true friend. If success in life is gained with good nature, "Jan" has already hit the top.

Red Cross Club 1, 2, 3; Spanish Club 1; Belmontian Club 3; Home Economics Club 3; Bookworms Club 3; Dramatic Club 3.

Josephine Rizzo

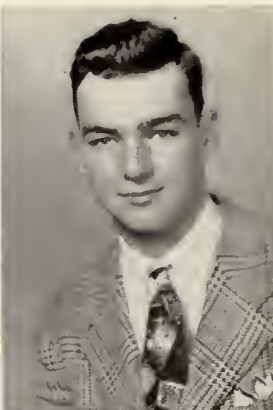

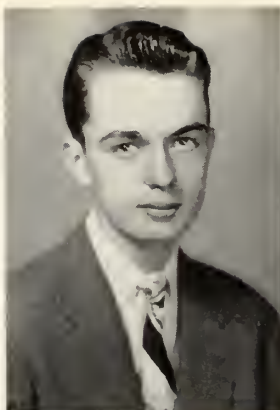

No pressing ambition has "Jo," except to graduate with her class. No doubt of that! She's easy to please and pleasing to know, with a friendly word for all. A girl who enjoys sports and excels in ice skating, roller skating, and swimming will be welcomed wherever she goes.

Home Economics Club 2, 3; Glee Club 3.

Donald Robbins

Is there anyone in this wide world who hasn't seen "Donny" and his trombone in action? If so, he shouldn't miss it for one more minute, because here's one cat who's really hep. A boy who is just as good in the classroom as on the podium, he's sure to go far in the career of his choice.

Donald Ryan

A genial person is Don with that certain twinkle in his eye that belies his ambition, which is to stay out of trouble. He's extremely versatile and has tried his hand at many sports. Whether he plans to go into advertising or into draftsmanship, if he keeps on the way he's going, he's a winner.

Track 1, 2, 3; Soccer 3; Bookworms Club 3; Science and Photography Club 2, 3.

French Club 1; Bookworms Club 2, 3; Belmontian Club 2, 3; Home Economics Club 3.

Joanne Sanderson

A Texas drawl, a sense of humor, and a faculty of being right in the middle of anything that's important mark "Sandy" as one of our outstanding classmates. Whether as cheerleader or on the stage in one of Mr. Mac's plays, she always gives a good performance. If we're any judge of character, she'll go on giving one for the rest of her life.

Always immaculately groomed and dressed in the latest style, Eleanor is a well known girl around B. H. S. Those who have been in her classes envy her remarkable business acumen as well as her pleasant personality. How can such a girl help but succeed in reaching her goal as a C. P. A.?

Eleanor Santoro

Eleanor has been with us but a short time, having come from our neighbor, Cambridge High. However, in this time we have come to know her well. Her dark hair and mellow brown eyes, complemented by her sparkling smile, make a very attractive young lady indeed. May her calm and pleasant personality always help her to win friends and be as completely successful as she has been in her brief career at B. H. S.

Home Economics Club 3; Belmontian Club 3; Glee Club 3.

Lawrence Rose

"Some like it hot, some like it cold"—but whether it's boogie woogie or the classics, you call for the long man with the trombone. Striving after perfection is Larry, for this omni-popular man listed his ambition "to be a successful musician!" Well, maybe some of us think you're that already, Larry! In between the musical and feminine engagements, you might "see red," as he tears around in the snappy red Chevie.

Band 1, 2, 3; Dramatic Club 2, 3; Music Club 3.

Joseph Scarfo

In later years Belmont High will have the great distinction of referring to this coming world-famous artist as a former student. He is liked by everyone and displays leadership and fine character. How can such a person miss success?

Baseball 1, 3; Football 2.

Elizabeth Schimpf

"Bet," with her broad smile, bright eyes, and blonde hair, is one of Belmont High's peppiest seniors. If you see her enter school in the morning, her face wreathed in smiles, you may be sure that she has just heard from that certain sailor,—aye, aye! Latin Club 1; Home Economics Club 2, 3; Red Cross Club 3; Belmontian Club 3; Spanish Club 3.

James Sharkey

Those of us who watched with satisfaction the way "Sarge," as he likes to be called, performed as part of the B. H. S. hoop squad during the last two years, admire this hard-working and entertaining "ATLONITE," whose favorite color is the Army khaki! After that shaking day in June, Sarge has his eyes set on accounting. It will be easy for him to make good,—for he knows his figures!! Basketball 2, 3; Baseball 2, 3; Soccer 3.

David Schmitt

Tall, blonde and good-looking, with a pleasing personality, Dave can't help but be well-liked. He is interested in hunting and fishing, but doesn't think much of women drivers. A hard and sincere worker, he is a good student and always a gentleman. He hopes to own a cattle ranch in Alaska someday, and we wish him the very best of luck. Track 3; Dramatic Club 1, 2, 3; Senior Play 3.

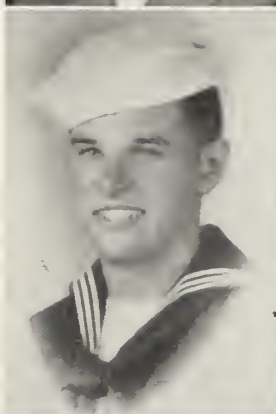

Betty Shaughnessy

Mischief-loving, possessor of a happy-go-lucky air and a charming smile, besides being an ardent sports fan—that's Betty. The better one knows her, the better one likes her, for Betty is everybody's pal. She is one of those girls who has a good time wherever she goes and makes everyone with her have a good time, too. Red Cross Club 1; Belmontian Club 2, 3; French Club 1; Bookworms Club 3; Chorus 2.

Marie Shaughnessy

Marie may be small in stature, but she is bubbling over with energy. She is continually on the go and can be counted on to help whenever necessary. Her merry laughter is a familiar sound in B. H. S. corridors. Marie is a good sport, for she can take a joke as a real trooper. Red Cross Club 1; Choir 1; Bookworms Club 2, 3; Home Economics Club 3; Belmontian Club 3.

Dorothy Setliffe

Though Dorothy has not been with us for a year, the memory of her flame-colored hair and vivid personality is always fresh. Extremely fond of outdoor sports and music, she excels in both as her friends at Principia School must know by now. We're glad you're happy in St. Louis, Dotty, but we've missed you here in Belmont.

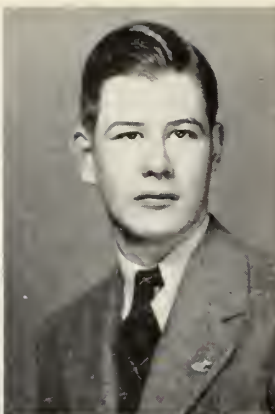

Herbert Shaw

An ardent enthusiast for athletics, "Herb" enjoys all kinds of sports. He has a fine sense of humor, and his only antipathy is for women drivers. "Herb's" ambition is that of many of his fellow-classmates — namely, to succeed in life. Like the stars, may he come out on top. Football 2, 3; Spanish Club 3.

Jean Shirley

With her sweet disposition, attractive Jean is fun to be with and a friend to all. Sports and music have been her main interests at B. H. S. We have missed Jean's cheery smile since she left us to live in San Francisco, and we know she will succeed at the University of California.

Field Hockey 1; Softball 2, 3; Belmontian Club 2, 3; Music Club 2, 3; Red Cross Club 1, 2, 3.

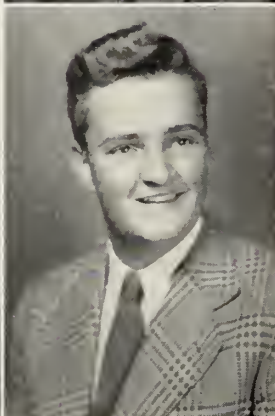

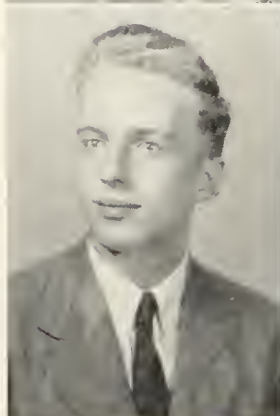

Robert Silvery

"Bob" is the size that could be easily lost in a large group, but his jollity couldn't be overlooked for long. We have found that out and have been much the happier knowing this genial, serious senior whose interests vary all the way from swimming and skating to the fascinating hobby of philately.

Dachshunde Club 2, 3.

Leon Shriber

Behind Leon's analytical and aeronautical mind lurks an entertaining sense of humor. With his lighter side as complement to his more studious characteristics, we get the pleasing result of "Arch"—as his many pals call him. Through those long years at B. H. S., he has developed a dislike many of us share: no ice cream third lunch period! Student Council 1, 2; Dramatic Club 1, 2, 3.

Glenn Simm

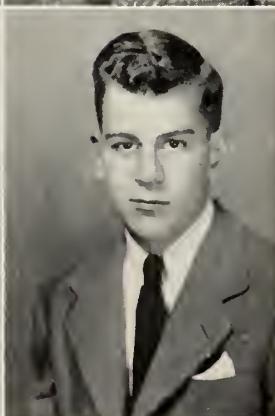

Laugh, laugh, and then laugh some more. That's what happens if you know Glenn Simm. He's eternally happy and likes to see others so. Although he's chosen the profession of a dentist, even without inventing new, painless tooth-pulling apparatus, he'll surely be able to keep his patients and everyone else in good humor. More power to you, Glenn.

Football 1, 2, 3; Track 2, 3; French Club 2, 3; Junior Rotarian 3; Band 2, 3.

Marion Silk

Who's the girl with the sweet disposition and sporting eyes? Who's loads of fun and always ready for anything that's suggested? Of whom do you think when somebody talks about a cute smile, nice clothes, and a terrific personality? That's right. Who else could it be? Nobody but Marion.

French Club 1; Red Cross Club 1; Spanish Club 2; Belmontian Club 3.

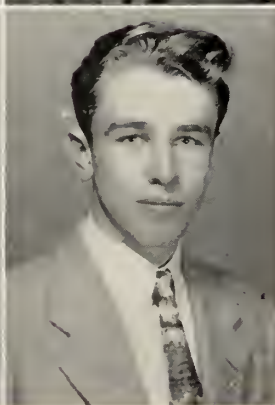

Warren Simmons

A likeable person, to say the least, is "Al" Simmons. He is one who has wit and personality enough for two large sized people besides himself. Both on the athletic field and in the halls of B. H. S., he has made a fine showing. With this behind him, he is sure to realize his ambition—to give and take the best in life.

Mary Silva

Petite and sweet, Mary's friendliness is even bigger than she is. Always ready with a smile and a helping hand, she has an indomitable spirit. This quiet dark-haired girl with such a soft voice will surely spread much happiness through her life and the lives of all who know her.

Spanish Club 3; Belmontian Club 3; Home Economics Club 3; Choir 3.

James Smith

"Jim" Smith, known to us all for his brilliant activities in football and track, seems to have room for just one when it comes to girls. "One and only one," says he. As to career, his mind has not been made up as yet. The class made an excellent choice in voting Jim "Most Typical," along with his "best gal."

Baseball 1; Track 2, 3; Football 3; Spanish Club 1, 2; Student Council 3; Class Treasurer 2.

Janet Smith

Ever heard a giggle that made you want to laugh? Ever look up to find it was "Jan" Smith beaming at you with her Pepsodent smile? Jan likes almost everything, except that she flaunts Belmont tradition by not particularly liking basketball. She's headed for the Garland School, and we wish her success!

Latin Club 1; Belmontian Club 1, 2, 3; Red Cross Club 1, 2, 3; French Club 2; Spanish Club 3.

Nancy Soller

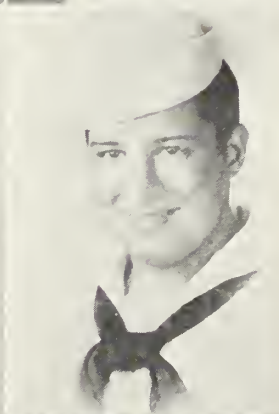

Blonde, talented, and a simply wonderful girl to know, Nancy might well be called six feet of sweetness. We can just picture her on a ranch in Texas raising horses as she hopes to do, for hers is the ideal personality for a rancher's life: frank, happy, and friendly. Best of luck to one of our best.

George is tall, blue-eyed, and dark-haired. He is a friendly fellow and always has a hearty "Hi" for everyone he meets in the corridors. He is interested in machinery and, you guessed it, blondes, and his ambitions include both! We know he will succeed in his ambition as a machinist or engineer, and we hope he'll have no difficulty finding enough blondes to keep him happy forever!

Football 1, 2 (Manager).

June Sneddon

June will never need jewelry with that flaming red-gold top knot of hers and her sparkling eyes. Naturally charming and modest, she also has a witty streak that will make the most sober, giggle. If colleges gave degrees in the social or human arts, June would graduate "cum laude."

Latin Club 1; Belmontian Club 1, 2, 3; Red Cross Club 1, 2, 3 (Vice-president); Spanish Club 2, 3; Bond and stamp salesman 3.

Catherine Stennes

Mix a ton of humor, a pound of versatility, a cup of talent, add a dash of beauty, and stir well. Your finished product will be "Kay." She dislikes rainy weather, but we wonder why, for it never makes the slightest change in her disposition. Best of luck for a sunny future.

Belmontian Club 2, 3; Oil Painting Club 3; Science and Photography Club 3; Red Cross Club 3; Music Club 3.

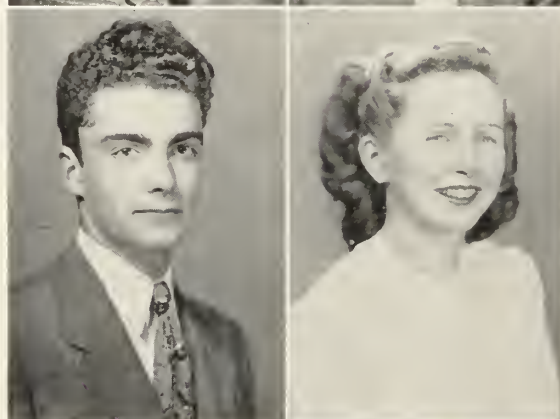

Daniel Jerome Sullivan

Here is a student who hates to climb stairs, and the flights in our school are to him great cares. His present ambition is to graduate from Belmont High, and show the world he's a willing worker, even if quite fond of the fine things in life, such as sports, food, and sleep. We know he will be successful in whatever field he chooses to enter, for beneath his lighthearted and gay manner, is a determined and intelligent fellow who will always come out on top. Spanish Club 1, 2.

Leo Sullivan

If, in strolling through the corridors of B. H. S., you suddenly encounter a pair of knees, you might, after craning your neck, be able to see the face of "Mope." Two of his characteristics are his sense of humor and his love of sports. You'll always find him where there's a game, whether it's basketball or baseball. Now he moves on to the greatest of games.—Life. Football 2, 3; Basketball 2, 3; Baseball 2, 3.

Marjorie Sullivan

"Margie" is definitely fun to be with. Her comedy captures us all and has won her many friends. Her big blue eyes and curly brown hair are the envy of many a girl. Track 2, 3; Science and Photography Club 2, 3; Dramatic Club 2, 3; Publication Club 3; Junior Rotarian 3.

MR. ALBERT ORTON
Class Adviser

The present Junior Class has been leading up to the promise of a very successful senior year. The following class officers were elected as a result of the elections held in October: Bernard Daily, President; Bruce Levis, Vice-president; Betty Blackham, Secretary; and Jack Kasper, Treasurer.

The first decision of the class was to order rings during their junior year instead of waiting until the senior.

Several members of the class have distinguished themselves in various sports. Bernie Daily and Aram Paraghamian have been elected co-captains for next year's football team; Ronald Morlock will be captain of a very promising basketball quintet; and next year's hockey squad will be captained by Bob Rousseau. The girls, also, have been represented and are successful in many sports, Ann Comerford, Diana Knauss, and Sylvia Darrow being on the girls' basketball varsity, and Joan Shaughnessy being elected captain of the field hockey team for next fall.

There is one especially important and valuable person, Mr. Albert J. Orton, the class adviser, who has been so helpful and necessary in planning with and advising the class on many occasions.

MISS VERNA AMES
Class Adviser

"The best laid plans of mice and men often go astray," wrote Robert Burns. But our plans for 1947 and 1948 are tentatively arranged, although not elaborately, but with the best intentions. At present they include the regular festivities, but we hope to arrange a few surprises. Our President, Tom Newell; Vice-president, Mark Gifford; Secretary, Ambrose Redmond; and Treasurer, Jacquelyn Low are working industriously on these projects.

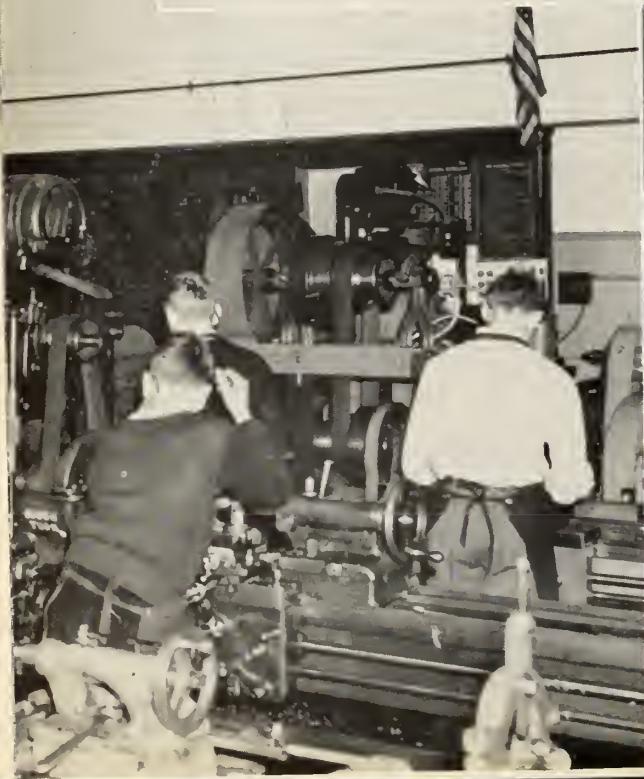

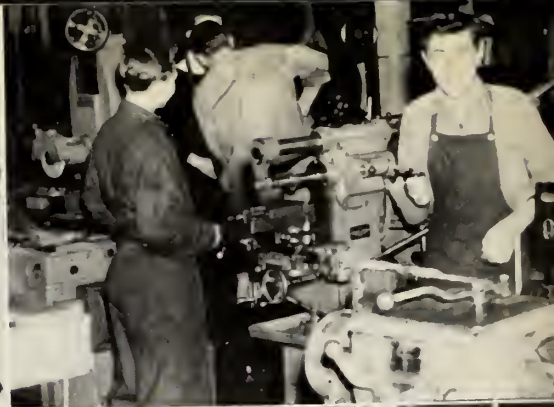

It is our privilege to have, among our class members, many promising young athletes, such as Wally Flewelling, Tom Cain, Don Cass, Bill Caskie, and Jack Wettlaufer. We intend to give them our whole-hearted support in order to achieve the highest honors in sports.

In the following fields of activity we are well represented: dramatics, Alan Black, Robert Dresser, Pat Dexter; art: Hugh Bradshaw; journalism: Ruth Hanlon, Carolyn Wicks; honor roll: Sally Andrews, Barbara Alden. Many students will continue to strive for extraordinary scholarships as their forerunners have done.

Our class adviser, Miss Ames, gazing into the crystal ball of the future, makes the prophecy that the class of 1948 will be unsurpassed.

MR. DONALD W. MOORE, *Director*

Automotive Repair: MR. LESLIE CROWSON

Cabinetmaking: MR. MICHAEL EGAN

Electricity and Radio: MR. THOMAS JOYCE

Machines: MR. CARLETON SEAMAN

Sheet Metal: MR. JOHN CORRIGAN

Three years ago the Belmont Vocational High School was in its formative stage. Today it is a leader in the field, with four schools in nearby communities patterned after it. Now we are ready to graduate the first group of students who have completed three years of shop, related, and academic training. Those who are about to graduate have had opportunity to explore and work in the following areas: Drafting, Sheet Metal, Machine, Welding, Forging, Cabinetmaking, Radio, and Electricity. Some have chosen to specialize in one or two fields.

Vocational education in broad terms may be defined as education fitting one for profitable employment.

Your community and country present you with a definite challenge. Today's graduates should be leaders in the future. Your knowledge and basic skills learned here at school are a solid foundation for industry to build on. You have spent three years in preparation for industry; make the most of it. If you will live up to the quotation: "The essence of good citizenship is one profitably employed"—your challenge will be partially fulfilled.

The Student Council

During the past year, the Student Council, under the leadership of Mr. Higginbottom; President, Andy Wettlaufer; Vice-president, Gus Jackson; Treasurer, Jimmy Smith; and Secretary, Babe Grant, has contributed greatly to the enjoyment of life in B. H. S.

The Council has sponsored the Pitt Parker assemblies, a series of lectures and films which the whole school found pleasant and profitable. They are now planning next year's program, which, though different, promises to be equally good.

The Council worked to raise money by selling programs at the fall football games. The money earned will be donated to the school, but the form which the gift is to take has not yet been decided.

Two delegates were sent to a state meeting of Student Councils in Webster, Massachusetts, on May 4, 1946. They returned with some excellent ideas which will be put into effect next year.

The Student Council has been and should be a steadying influence on life in B. H. S., and we know that next year's group will carry on the fine traditions practised by this year's members.

National Honor Society

To become a member in the National Honor Society, which is the highest scholarship organization in the school, one must give evidence of the four cardinal principles of scholarship, leadership, character, and service. The club's purpose is "to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character."

The club is under the guidance of the sponsor, Mr. Charles Meyers, and the following officers: Kathryn Pauley, President; Talmage Clark, Vice-president; Jean Dobson, Secretary; Stanley Smith, Treasurer. In this active year, club members managed and enacted the play "A Murder Has Been Arranged" for the benefit of the Comery Scholarship Fund. In this undertaking they met with great success. Sales of Victory Stamps and Bonds were also carried on by members throughout the year.

Every spring, the new members, elected by the faculty, are initiated at an impressive ceremony, at which time they pledge themselves to "strive in every way possible to make the Society's high ideals, the ideals of their school and of their life."

French Club

Over one hundred and fifty members under the enthusiastic leadership of President Joan Appel, Vice-president Nancy Keating, Secretary Ann Collins, Treasurer Stanley Hazen and Club Adviser Miss Stevens comprised "Le Cercle Francais" for the past year. In order to acquaint the members more thoroughly with the language, the meetings were conducted for the most part in French. Several interesting speakers including Mrs. MacJannet of Arlington were enjoyed. Mrs. MacJannet and her husband ran a summer camp in France for many years; consequently, her experiences were of particular interest to us. In addition to speakers, informative movies were shown at many of the meetings. Games, a decorated tree, and gifts constituted a peppy Christmas party. The unusual took place in the form of a Mardi Gras in collaboration with some of the other language clubs. A real French banquet was put over with a bang to wind up a highly successful season. The Club is also happy to report that it was able to contribute to the French Relief Fund in money and in the service of its members.

Spanish Club

Officers 1945 - 1946

President: Donald MacDonald
Vice-president: Ruth Mead

Secretary: Elaine Romsey
Treasurer: Richard Conley

The Spanish Club opened its season in the fall with an initiation tea and reception for new members. At this time, formal initiation ceremonies took place, followed by a musical program and the serving of refreshments.

A Christmas Party was greatly enjoyed by all the members. Movies were shown; Christmas carols were sung; and Christmas refreshments were served.

At our regular meetings, we had movies at different times and a South American student spoke at one meeting.

Most of our efforts for the year were concentrated upon the general sponsorship of the Mardi Gras. This colorful affair was carried out completely in the Latin fashion. Decorated booths, costumes, and movies were features which made it a definite social success which we will want to repeat in future years.

Our final event of the year was the annual banquet in June. New officers were announced at that time. Speakers and an entertainment program rounded out the evening affair.

The Latin Club

The program of Summa began this year with the installation of the following officers in November:

Consuls—Richard Fahey, John O'Reilly

Censors—Martha Apollonio, Betty Benz

Curule Aediles—Kay Kelehar, Diana Knauss

Non-curule Aediles—Jill McKearin, Douglas Jordan

Quaestors—Betty Ahern, Glenn Simm

Vestal Virgins—Caroline Brentlinger, Virgo Vestalis Maxima; Beth Brindley, Hope Franklin, Marjorie MacKenzie, Jean Nordlund, Jean O'Brien

Assisting at the installation were Vincent Daily, Pontifex Maximus, and Bernard Daily, augur. In December we celebrated the Saturnalia, an old Roman festival similar to Christmas, with a party and exchange of gifts. An important object of the winter was our cooperation with the other language clubs in planning the Mardi Gras Ball. For the spring meetings, we first had a trip to the Museum of Fine Arts, where we went on a conducted tour to see and hear about the Roman and Greek objects of art. We also had a dramatic program, "Illustrated Anecdotes from Roman History," in which members of the Summa represented famous Roman characters. At the last meeting, we enjoyed a visit from Dr. Robert M. Green, who has given us many interesting lectures in past years. He gave us some of his own translations of favorite selections from Latin literature. Dr. Green's splendid lecture completed a year of activity and accomplishment for Summa members.

The Dachshunde Club

Officers for 1945 - 1946

President: William Corcoran

Vice-president: Irene Pearson

Secretary: Roberta Allen

Treasurer: Robert Whittemore

Under the capable leadership of these officers and with Miss Dornzee as Adviser, the German Club has completed a very successful year.

Highlights of the season were a Christmas party, where trophies were shown by various students, gifts were distributed, and refreshments enjoyed. Later in the year the German Club collaborated with other language clubs to present a language Festival and Mardi Gras. Moving pictures of German customs and life were shown in February.

In 1945-1946 the members showed an interest and enthusiasm which, if continued in 1946-1947, will result in a club every German student will be proud to join.

The Belmontian Club

The Belmontian Club has just completed another memorable year under the capable leadership of President Mabel Smith, Vice-president Jane Carroll, Secretary Elaine Lockhart, and Treasurer Edith Kieling.

Among our many and varied programs we were most fortunate to have the opportunity of hearing Mr. Clarence Q. Berger of the Anti-Defamation League of Boston talk on "Probing Prejudices." One of our most popular programs was our annual home talent entertainment which, this year more than ever, seemed to bring out the hidden talents in many of our students.

Among our services to others we donated the usual contribution to the Seeing Eye Dog Fund; this was greatly appreciated. We were especially pleased to receive our Belmontian pins, which our members have proudly worn throughout the year.

The outstanding social function, as in previous years, was the Belmontian Formal, which proved to be a tremendous success.

Much of our thanks for a triumphant season goes to our advisers, who continually aided us at our board meetings which were held before every regular meeting. These advisers were the Misses Anderson, Mathews, Calderara, Blennerhassett, and Mrs. Howarth.

Junior Red Cross

Rolling bandages was a thing of the past when the Junior Red Cross Club was called to order at its first meeting of the new school year. In its stead was work for veterans' hospitals: cartoon and joke booklets, cookies, posters, and an afghan. All members donated useful articles and toys for Christmas boxes to be sent to needy children in Europe.

Under the leadership of June Sneddon, the annual drive for funds to help carry on the work of the Junior Red Cross was a success, over \$100.00 having been donated. The Roller-Skating Party in the spring also raised money to aid the club in its unselfish work.

Orianna Richards, president; June Sneddon, vice-president; Edith Kieling, secretary; Joanne Sanderson, treasurer; and Miss Richmond, club adviser, all helped to guide the club through a busy and successful year.

The Bookworms Club

Now in its fifth year, the Bookworms Club is growing continually in both size and popularity. Books are purchased with the bi-annual dues of the club, and there is now a library of almost three hundred books, chosen carefully so that there is sure to be something to suit the appetite of every Bookworm.

Many activities comprised the program for the year, such as the contest for the designing of a new book-plate, which aroused much interest, and the book fair which brought to our attention the current best-sellers. The club has been under the guidance of the adviser, Miss Verna Ames, and the President, Jean Dobson.

We are sure that in the future our club will continue to extend to more and more of the students and faculty the privilege of reading really fine, well-chosen books.

The Publication Club

The official news organ of the school community is the *Star*, a student publication presenting a forceful account of all happenings at B. H. S.

In December, 1943, Virginia Butt had an idea of starting a school newspaper. After hearing about many previous failures, Virginia optimistically collected her staff. Irene Pearson as business manager, Talmage Clark as advertising manager, and Ronald Englund as sports editor, have filled their positions outstandingly well for three years.

From an eight-page mimeographed sheet, the format of the first issue, has emerged the present four-page printed newspaper which appears monthly. Today, really just two years later, that same paper is considered one of the ten best in the state! Much credit for this splendid showing is due the club's adviser, Miss Christine Noble.

To those students associated with it, the *Star* offers invaluable experience and priceless contacts. It remains in popular regard among teachers and pupils alike as one of the highest and most valuable extracurricular activities at Belmont High School.

Glee Club and A Cappella Choir

For the first time in recent years, the Glee Club of boys' and girls' voices was reorganized by Miss Ida Bunting. This group of almost one hundred voices met twice weekly to sing the songs that all enjoy, and also to learn some of the finer points of choral singing. Included in the repertoire of the group were compositions by Bach, Youmans, Handel, and Gershwin, showing the wide scope that was covered. Piano accompaniments were sometimes supplied by students, enabling Miss Bunting to give her full attention to vocal production.

Specially talented members of the Glee Club joined the A Cappella Choir for more intensive after-school musical study. The number in the choir was considerably smaller than that of the Glee Club, and this permitted individual instruction.

Several times during the year, both of these musical organizations took part in assemblies, supplying appropriate music. They also contributed to the programs sponsored by the District 4, State Parent-Teachers Association and the Exhibit and Demonstrations offered by the Education Committee of the Belmont Woman's Club.

High School Band

During the first semester of the year 1945-46, the Belmont High School Band was under the leadership of Mr. Walter Smith. The band supported the football team at several of the games.

After his return from the Navy at the beginning of the second semester, Mr. Warren Freeman took over the directorship. During the spring season, Mr. Philip Snow assisted at some of the band rehearsals. A large Junior High School Band is expected to produce a High School Band of about eighty members next year.

The Band played at the Massachusetts Basketball Tournament at the Boston Garden on March 8 and 9, at the ninth annual demonstration concert of the Belmont Schools, in the Memorial Day Parade, and at the graduation exercises.

Oil Painting Club

For the first time, an Oil Painting Club has been established in the Belmont High School. Miss Hogan, who is the teacher of the regular art courses, supervises this club.

Each Wednesday afternoon members gather their paint boxes, brushes and palettes and bring them forth. All the embryo Rembrandts emerge with brushes in hand, masterpieces in mind, and the fun is on.

During the year exhibitions have been held which show the talent as well as the progress of each student.

Now that this Oil Painting Club has been organized, we wish it many years of success in the future.

The Music Club

Now completing its third year of active organization, the Music Club has offered many varied and enjoyable programs during the past school year. Among the programs presented were several with students playing or singing for their own enjoyment as well as that of the other members of the club.

The officers and members wish to thank all those who so faithfully enabled the club to have such a prosperous and enjoyable year.

The Club's officers, sponsored by Miss Anderson, were Martha Apollonio, President; Marilyn Berrie, Vice-president, who was also chairman of the Program Committee; and Roberta Allen, Secretary-Treasurer.

Junior Rotarians and Honorary Members Woman's Club

The Junior Rotarians are a group of eight boys selected each year from the Senior Class to participate in the activities of the Rotary Club of Belmont. One observes that a cross-section of all types of students is chosen. During the year, many memorable events sponsored by the Belmont Rotary Club took place, which the boys were privileged to attend. Here, their horizons were broadened by worthwhile contacts made with international students.

A similar group comprises Honorary Members of the Belmont Woman's Club, the members of which are chosen in the spring of each year. Though many splendid programs were enjoyed, perhaps the most notable of them was the exhibition of the excellent work done at Belmont High School during the year. This display was planned by the girls, with Ann Collins as Student Chairman and Miss Martha L. Hanf, Chairman of the Education Committee of the Woman's Club. Exhibits showed the fine talent existing in every department in the Senior and Vocational High Schools and presented a vivid picture of school accomplishments.

Science and Photography Club

Now in its second year, the Science and Photography Club, sponsored by Mr. French, is once again a busy and organized member of the Science Clubs of America. The officers are Kay Pauley, President; Stuart Daniels, Vice-president; Irene Pearson, Secretary; and Stanley Hazen, Treasurer. A Cancer Drive and contest were again sponsored by the Science and Photography Club in connection with the national drive. Science projects, movies, photography, trips to the BB Chemical Co., United Drug Laboratories, and the Cyclotron, as well as science lectures at M.I.T., all made for a very busy and interesting year. Several of the club members were active photographers for the Yearbook and the Star. Many of the club members, along with other science students, took the Westinghouse Scholarship Examinations in nationwide competition with the students of other schools. The Club this year was even larger than last year, with a membership of sixty students. We wish all the success possible to next year's club, and hope that they get even more enjoyment and knowledge from their activities.

The Forum Club

A comparatively new organization in B.H.S., the Forum Club has become one of the most active and popular clubs in the school. Under the leadership of President Rick Wheeler, Vice-president Mary Lou LeVan, Secretary Joan Appel, Under-secretary Richard McGrail, and Adviser Miss Anderson, the Club has fostered many radio and Junior Town Meetings, to further the members' ambition to discuss and secure a greater knowledge of world problems. In September, Geoffrey Harwood, news commentator of WBZ, presented his views of world affairs. In October, Ulrich Kruse participated in a discussion before the Massachusetts Parent-Teacher Association. In December, the student assembly was entertained by a discussion of "The Palestine Question," which was transcribed by WBZ and broadcast later in the month. The potentialities of the Forum Club are endless, and the members are looking forward to another successful session next year.

The Dramatic Club

Out of one of the largest clubs in the school have come some excellent productions this year. The organization is the Dramatic Club, and the productions . . . well, there were "And Came the Spring," the Senior Play; the Festival Play; and among others the Dramatic Club's own show, "What a Life." In addition, the club has been a fund of talent all through the year for U.S.O. shows and amateur and professional shows in and around Boston.

At the head are Vinny Moore, Ruth Mead, and Mary Lou Cosgrove, with Mr. MacCloskey, adviser and director. In recollection of this and other equally memorable years, one can only say, "What genius is nurtured here! What Bernhardts, Barrymores, even Sinatras frequent these portals!" In a few years, perhaps, we can say, "We knew them when!"

The class of '46 will always be grateful to its Dramatic Club, both for splendid entertainment during the year and for equally commendable representation of the talent and ability residing in our class.

Home Economics Club

A most interesting and profitable year was spent by the Home Economics Club. Under the guidance of the directors, the Misses Kearney and Irvin, balloting for officers and committee chairman was held at the first meeting. As a result, our officers for the year were President, Mary Jo Engel; Vice-president, Josephine Thomas; Secretary, Elaine Lockhart; and Treasurer, Prudence Pettinato.

The program committee wasted no time in arranging a lively schedule for the season. One of the outstanding programs was a talk by Miss Norma Hurley, Stewardess of the Northeast Airlines, who informed the girls of the qualifications and duties of an airline hostess.

The Home Economics Club is one of the most worthwhile and instructive organizations for girls in Belmont High School.

The Radio Amateurs and Experimenters Club

Under the helpful guidance of Mr. Clish, fourteen boys formed the first organized radio club in the school's history. Jules Sussman, Herbert Nickerson, and Dick Jones were elected President, Vice-president, and Secretary, respectively. Meetings were held once a month, at which times brief code sessions and discussions of the latest developments in electronics and radio were held. Informal meetings took place in Room 205 almost any time, however. During the year some members of the club became proficient in radio code, while others experimented with various kinds of radio apparatus, such as coils, condensers, antennae, tubes, oscillators and resistors. Among the projects undertaken for the year were a visit to a transmitting station, a trip to a factory manufacturing electronic equipment, and the building of a "ham" radio station in Belmont High.

The Senior Play

Springtime bloomed in B. H. S. on the evening of November 30th, regardless of the history-making blizzard, howling wind, and bitter cold that raged outside. For in the traditional manner of plays going on, the senior play, the sprightly, "And Came the Spring" went on—with great success. The cast in accordance with the program was as follows: Joe Abely, Janice Marjerison, Mary Lou Cosgrove, Rick Wheeler, Joanne Sanderson, Vincent Moore, David Schmitt, Bob Whittemore, Jimmy Anderson, Jeanne Barry, Orianna Richards, Herbert Nickerson, Jane Carroll, Mazelle Hinckley, John Holmes and Bill Bellissimo. Very special praise goes to Bob Whittemore, who, as a result of cracking an ankle in gym, maneuvered the whole play on crutches. And to those hundreds of rugged souls who braved the storm and filled the hall, acclaiming this the best senior play ever, thanks from the Senior Class.

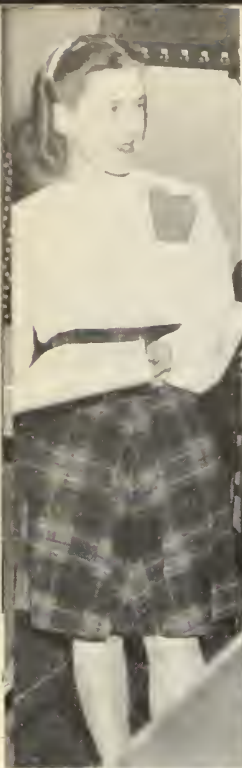

The National Honor Society Play

"Shutting me in! Shutting me in! Shutting me in!" As the villain, Maurice Mullins, shrieked these lines of terror, the curtain fell on probably the spookiest and most ingenious mystery play ever produced in Belmont High School.

This "thriller diller" melodrama, "A Murder Has Been Arranged," was presented by our own National Honor Society the night of February 1 and directed by Mr. MacCloskey. And, what a play! I doubt if any of us who were there that evening remember seeing a more absorbing or better performed high school stage production.

The suave, debonair, yet not infallible murderer was played by the young matinee idol, James Hofford. Sharing the limelight (not the limes) with him were Mark O'Leary, perfect as the young reporter; Arthur Woodruff, who admirably portrayed the part of Sir Charles Jasper; Joan Appel, his beautiful wife; Ann Howe, as Sir Jasper's fussy mother-in-law; Kathryn Pauley as Mrs. Wragg, the eccentric cook; and Ann Collins as Miss Groze, the pretty secretary led astray by Mullins. An excellent supporting cast was headed by Talmage Clark who portrayed Cavendish, the alleged band leader, and Ethel Ginsburgh, the eerie dumb woman.

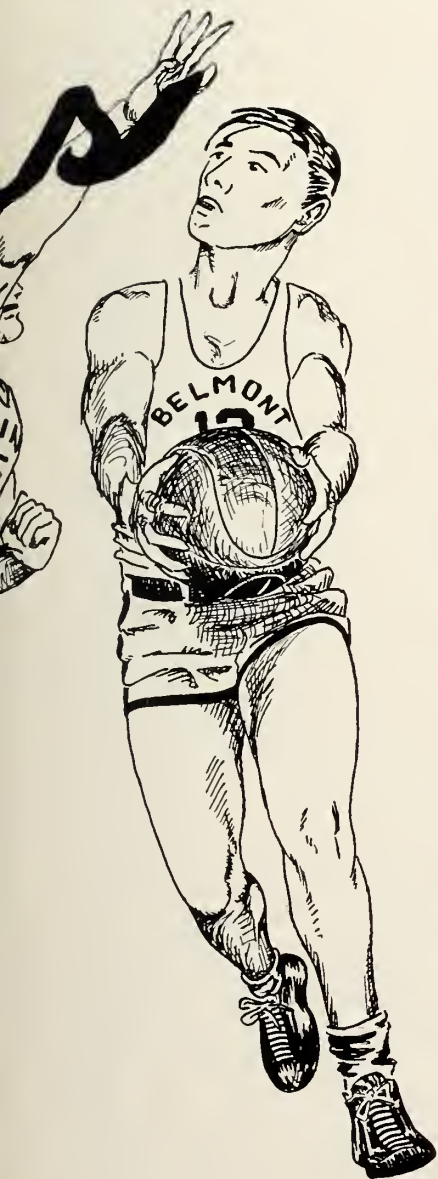

I say, let's send them all an "Oscar" for this fine performance.

Football Team

"Fast start, fast finish," could be a four word summary for this year's Belmont football team, which won five straight and then went winless until Turkey Day. Injuries received by four key linemen in the Chelsea game ruined the Red and Blue's chances for the Class C championship, for not until the last period of the Watertown game did the squad recover to score three quick touchdowns, turning a scoreless tie into a rout. Captain Bob Dudley was by far the outstanding lineman, while Andy Wettlaufer led the team in scoring. Others outstanding in the backfield were Jack Hayes and Ken Arico. Halfback "Uzzie" Paraghamian and guard Bernie Daily have been elected co-captains for next fall, and another great season seems in prospect.

The Soccer Team

Wins over Watertown and Governor Dummer Academy, plus a scrimmage game with the Harvard freshmen team, were the highspots of an otherwise lukewarm season for Belmont High's soccer squad. Persistence and fight, if not success, characterized the season. Captain "Tex" Beamon and forward Dick Conley led the team in scoring, while Ed Sharkey, Bob Heavey, and Gordon McLean starred on defense. If good sophomore and junior material is any indication of a team's future success, Belmont has a great deal to look forward to with Cain, Murphy, West, Ripley, and Hilberg still on the squad. A paragraph on our 1945 soccer team wouldn't be complete without recognition of the stellar goal-tending of Ronnie Morlock, who has been elected captain for the 1946 season. A large number of sophomores out for the team seems to be one of the most important keys to turning out successful teams. A good crop of sophs added to holdovers from this past season, would mean, under Mr. Wenner's capable direction, a championship outfit for next year.

FIELD HOCKEY TEAM

First Row: V. Butt, A. Collins, J. Appel, A. Shepherd, A. Comerford, J. Shaughnessy.
Second Row: B. Harris, D. Knauss, P. O'Reilly, M. Apollonio, J. Campbell, Miss Cleary.

Second Row: J. Appel, D. Knauss, A. Comerford, V. Butt, B. Wood, Miss Cleary.

The Field Hockey Team

This year's field hockey team had rather a disastrous season, having won three, lost three, and tied one game, despite the fact that the entire defense from last year's squad had returned. The defense positions were held by Captain Joan Appel, Martha Apollonio, Barbara Harris, Diana Knauss, Patricia O'Reilly, and Virginia Butt. The forward line, which included only one veteran, Ann Collins, was composed of Joan Shaughnessy, Ann Comerford, Audrey Shepherd, and Jeanne Campbell. The Jay Vees, led by Co-captains Gilda Toscano and Jeanne Fisher, dropped four, won one, and tied one.

At the annual Boston Field Hockey Association Tournament, Belmont was victorious, beating rival Watertown in the most important game of the year. Here Pat O'Reilly, Martha Apollonio, and Ann Comerford were honored by being chosen as All-Scholastics.

The Red and Blue girls fought hard to win, but just didn't have that extra needed push to score. Prospects for next year are high as Coach Cleary has six returning Varsity members.

Coach—B. Alberta Cleary

Captain—Joan Appel

Girls' Basketball Team

This year the girls' basketball team enjoyed a very successful season, winning eight, losing one. The first team, captained by Jeanne Campbell and coached by Miss Cleary, conquered all but their traditional rivals, Lexington, to whom Belmont lost by two points. Graduating varsity forwards are Captain Campbell, Pat O'Reilly, and Martha Apollonio, leaving speedy Ann Comerford to carry on the good record. Marilyn Berrie was the only senior varsity guard, and this leaves Diana Knauss and Sylvia Darrow for next year.

The second team compiled eight wins for an undefeated season. Members of the second team, some of whom will carry on next year, were Betty Blackham, Joan Shaughnessy, Joan Reynolds, Mary Oake, Virginia Butt, Joan Appel, Marilyn Thomas, Gloria West, Jeanne Fisher, Donna Tufts, Jane Burke, and Barbara Wood.

BOYS' BASKETBALL TEAM

First Row: D. Fahey, G. McLean, L. Buckley, J. Sharkey, F. Grant, R. Jackson, R. Beamon, T. Walz, L. Sullivan.

Third Row: T. Newell, D. Walsh, G. Stanley, E. Conley, C. Caruso, A. Bruno, R. Martin, R. DePopolo, M. Carlson, R. Markussen.

HOCKEY TEAM

First Row: H. Cummings, R. Rousseau, R. Brown, J. Martin, W. Keefe, C. Halligan, A. Wettlaufer, A. Borrell.

Second Row: J. Hayes, F. Moynihan, B. Levis, J. Lane, J. Butt, J. Drolette, J. Cheever, Mr. Bennett.

Third Row: R. Englund, S. Smith, F. Bailey, W. Flewelling, J. Kasper.

Boys' Basketball Team

"It can't happen again!" The first and second defeats at the hands of Braintree High the last two years were bad enough to swallow, but when a height-packed Rockland High and their towering captain halted, by a mere four points, Belmont's third straight bid for fame and glory in the Class "B" finals of the Eastern Massachusetts Tourney—then that plaintive voice was heard to say, "It can't happen again!"

Starting with only two lettermen, Co-captains Babe Grant and Gus Jackson, Mr. Wenner braced his charges through a rocky get-away that produced but a single win in six starts. From there on in, the seniors were unbeatable. Reading's zone was blasted, 44-37, and then Melrose, in one of the wildest games on record, and Lexington and Melrose fell, 36-33 and 39-32 respectively.

Maybe the 14-6 record that the team piled up wasn't as good as some other Belmont Hoop teams, but we're sure that for all-round basketball, "savvy" and skill, the '46 team would be hard to beat.

Hockey Team

Eight straight wins at the end of the year climaxed one of the most successful seasons enjoyed by a Belmont hockey team in a long time. After dropping four early league games, the Bennett-men started their streak and copped four league games to finish a strong fourth in the standing. Triumphs over strong private sextets such as Belmont Hill, Groton, and Middlesex, plus a final win over rival Watertown 2-1, finished a perfect season. Capt. Jack Martin was leading offensive gun for the locals and earned a spot on the G. B. I. All-Star team. Bob Rousseau, next winter's captain, was a tower at his defence post and was a member of the league second All-Star team, along with the regular right-wing, Bob Brown. Goalie Mike Cummings enjoyed a great season in the nets, and his sub, Red Bailey, did a great job during Mike's illness. Prospects for next season are good with veterans such as Rousseau, Keefe, Flewelling, Butt, and Beaton among the returnees.

BASEBALL TEAM

First Row: W. Birch, L. Buckley, W. Bellissimo, J. Hayes, A. Wettlaufer, L. Sullivan, G. Alexander, W. Dudley.

Second Row: A. Paraghamian, S. Cucinotta, W. Roche, J. Sharkey, W. Long, J. Wettlaufer, J. Lane, C. Ferranti, Mr. Harris.

Third Row: R. Englund, D. Moore, H. Wettlaufer, R. Rousseau, C. Bond, M. Amodeo, D. Cass, R. Keleher, S. Lohnes.

TRACK TEAM

First Row: S. Casey, A. Gechijian, T. Calman, P. Falt, N. Pepe, W. Sullivan, C. Dill, V. Micale, T. Crosby, L. Brace.

Second Row: D. Thomas, R. Jackson, J. Smith, K. Cummiskey, K. Arico, R. Dudley, J. Martin, C. Halligan, C. Swenson.

Third Row: Mr. Olson, R. Markussen, G. West, R. Beamon, D. Ryan, G. Havens, D. MacDonald, R. Garrity, T. Houston, C. Bates.

Fourth Row: W. Roller, B. Powell, P. Landino, P. Prendergast, T. Cain, T. Ashley, V. Piraino, J. Moir, A. Shaw, G. Grant.

Fifth Row: R. McGrail, W. Swanbon, F. Megan, C. Quinn, P. Ripley, W. Flewelling, R. Evans, R. Morlock.

Baseball Team

Although stripped of most of last season's team through graduation, Coach Lew Harris seems to have another good baseball team. This season's nine will be built around two veterans, third-baseman Les Buckley and All-Scholastic catcher Andy Wettlaufer. The remainder of the team is a toss-up although John Wettlaufer and Mope Sullivan seem to have earned positions on the starting nine. The pitching department, supposedly a weak spot, has turned out to be adequate with Dee, Sharkey, Amodeo, Long, Bellissimo, and Bond among the regular twirlers. The addition of Melrose and Wakefield to the Middlesex League has expanded the outfit to a full eight-team circuit. Besides fourteen league contests, tilts with Watertown and Arlington have been scheduled.

Track Team

Many returning veterans plus some brilliant young prospects mark this spring's track team. Returning lettermen from last year's outfit include Capt. Ken Arico, Don Ryan, Don MacDonald, and Gus Jackson in the dashes. In the longer events, Coach Wenner has such standbys as Jack Martin, Bob Dudley, Ken Cummiskey, Jim Smith and Bob Markussen. The field events are also well represented. Gus Jackson will be relied on for the high jump, while state champion Don MacDonald should score many points in the broad jump. Halligan and Swenson look good in the shot put, while last season's relay team of Jackson, Arico, MacDonald, and Ryan, remains intact. Eight meets have been arranged including the big events of the season, the Belmont Relays and the State Meet.

GIRLS' TENNIS TEAM

First Row: R. Tate, E. Ginsburgh, M. Engel, J. Appel.

Girls' Tennis Team

The Belmont High School's Girls' Tennis Team is looking forward to a highly successful season with its three veteran players, Mary Jo Engel, Irene Pearson, and Joan Appel. Through hard work and excellent playing, the Tennis Team has come up from obscurity to be ranked among the most important of girls' sports. With many new members to fill out its ranks, the team is looking forward to excelling its good record of last year.

The schedule for this year includes the following matches:

Malden at Belmont	May 2, 1946
Belmont at Winchester	May 6, 1946
Belmont at Arlington	May 9, 1946
Medford at Belmont	May 29, 1946
Belmont at Lexington	May 31, 1946

Boys' Tennis Team

Fourteen men have reported for practice, and from this nucleus, the team will be formed. It is hoped by Coach Nagle and Captain Tom Walz that this year's team will have a good season and be as successful as last year's—if not more so! The schedule follows:

May	3, 1946	Belmont at Needham
	6	Newton at Belmont

In the Long Run . . .

you and your friends will prize the portrait that looks like you—your truest self, free from stage effects and little conceits. It is in this “long run” photography that PURDY success has been won. Portraiture by the camera that one cannot laugh at or cry over in later years.

For present pleasure and future pride
